Wall Street Wire
Week of August 16th, 2020

We encourage you to pray for our community, church, members and friends.

We pray for healing and peace for those facing health challenges of any kind;

including these members and friends we have been asked to pray for: **Barb K., Edith Molyneaux, Luella Munro and Ron Gardiner.**

Our prayers go out to Mélanie & Keith Hartshorn-Walton and their girls Auriél & Édith in the passing of Mélanie's mother Lucille last Friday.

Also prayers for Margo Honeywell as husband David is in Palliative care in Smiths Falls hospital.

We continue to pray for our local communities, our province, our country and our whole world as we continue the fight against this Corona Virus.

Help us to follow guidelines which will help us to safely open businesses, public places and our churches.

We pray for our church leaders as decisions are made regarding the safe and gradual re-opening of Wall Street Church. Give us patience as we move slowly and carefully to protect everyone who gathers here.

We pray for our youth and children as the time to return to school approaches. Keep them safe we pray. We thank our Godly Play leaders as they search for ways to connect with our children in this time apart.

Our next Sunday Supper is August 30th, 2020 (5th Sunday) from 3 to 5 p.m. Take Out Only! Social distancing and CoVid19 restrictions in place.

Yuletide Fare

A notice from the Yuletide Fare Team!
Now is the time to be making peach jam, blueberry jam, pepper jelly and pickles (esp. bread and butter) as they we all good sellers in the past. Thanks for supporting our biggest fundraiser of the year.

In Jamaica, the Larry Chang Centre provides housing, health supports, access to education and skills training, and help with obtaining documentation and ID to LGBTQIA and Two-Spirit young adults who would otherwise be homeless.

Recent photo of Joan Johnson in action as people came to pick up their strawberry rhubarb pies supporting this Yuletide Fare fundraiser.

Service planning has begun!

We are in the process of gradually opening up for services again at the church. On **August 23rd** we will start with an outside Celebrate Life service at 5:50 p.m. with all precautions in place. Bring your lawn chair and mask and gather on the Court House Green. Rain location in the Gymnasium. If this goes well we plan to continue weekly CL services in the Gymnasium.

We will have a trial morning service on **September 6th** with limited numbers allowed to attend. Details of the process to attend will follow soon.

In the meantime stay safe and pray for the process to go well.

We will take things one step at a time and hope to welcome groups back when a safe way can be found.

A reminder that **masks must be worn** when entering a confined public space". Our church is currently closed to public activities but should you have reason to be at the church we appreciate your attention to this protocol. We will be monitoring this and all other CoVid19 safety measures as we work toward re-opening. You can follow this link to [Leeds, Grenville and Lanark District Health Unit](#) for more info.
